SOLVAY Animal Health, Inc.

DIRECTIONS FOR USE:

To control spinose ear ticks and ear mites and to remove ear wax apply 10 drops to each ear. Massage base of ear a few minutes to assist penetration of the ear wax by the solution. Allow pet to shake its head. Wipe excess solution from the ear with cotton. Repeat treatment every other day until condition has cleared up

or as directed by your veterinarian. Applying this solution twice monthly will reduce ear mite and ear tick infestation and ear wax accumulation. Do not use on nursing animals. Do not use on sick animals or animals under drug or pesticide treatment. Do not use on animals under 8 weeks of age. Before using on pregnant animals consult a veterinarian.

PRECAUTIONS: HAZARDS TO HUMANS AND DOMESTIC ANIMALS - CAUTION: Harmful if swallowed or inhaled. Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after using. Do not contaminate food or foodstuffs with this solution. Avoid contact with animal's eyes.

ENVIRONMENTAL HAZARDS: This product is toxic to aquatic organisms. Do not apply directly to water. Do not contaminate water when disposing equipment washwater or disposal of wastes.

PHYSICAL OR CHEMICAL HAZARDS: Do not use or store near heat or open flame.

FIRST AID: IF SWALLOWED: Promptly drink 1 or 2 glasses of water and contact a physician or poison control center. Give nothing by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if indicated. Contact physician if needed.

IF ON SKIN: Remove contaminated clothing and wash affected area plenty of water. Contact a physician if irritation persists. Wash clothing prior to reuse.

IF IN EYES: Flush with plenty of water. Contact physician if irritation persists.

STORAGE: Store in original, closed container in a cool, dry place.

DISPOSAL: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in household garbage.
