DIRECTIONS FOR USE

To be used only in the manufacture of a pesticide which is registered under the *PEST CONTROL PRODUCTS ACT*.

PRECAUTIONS

PREVENT ACCESS BY UNAUTHORIZED PERSONNEL

Harmful if swallowed. Avoid breathing dust. Use only with adequate ventilation.

FIRST AID

If swallowed: Induce vomiting by touching back of throat with a finger or a blunt object. Repeat until vomit fluid is clear. Do not induce vomiting to an unconscious person. Call a physician or contact a poison control center IMMEDIATELY.

If on skin: Wash immediately with soap and warm water.

If in eyes: Flush with water for 15 minutes and either call a physician, or contact a poison control center IMMEDIATELY.

Inhalation: If inhaled, remove patient from the site of exposure.

Take the container label or product name and the Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION

Formetanate Hydrochloride Technical is a carbamate which acts as a cholinesterase inhibitor. Atropine is antidotal. Do not use 2-PAM.

DISPOSAL

Canadian formulators of this technical should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations.

For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for information on the clean-up of spills.

STORAGE

Avoid exposure of Formetanate Hydrochloride Technical to excess moisture or physical damage during handling or storage. Keep in original container during storage. Store product in cool, dry, well ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from fire or open flame or other sources of heat.

**IN CASE OF FIRE, SPILLS, LEAKY OR DAMAGED
CONTAINERS, OR OTHER EMERGENCY, REPORT AT ONCE BY TELEPHONE TO:
1-800-424-9300**

NOTICE TO USER

This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
