DIRECTIONS FOR USE: To be used only in the manufacture of
pesticides which are registered under the Pest Control Products
Act. Formulators are responsible for their own registrations.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. May be harmful if
swallowed. Avoid breathing the dust and contact with skin, eyes,

and clothing. Wash thoroughly after handling and before eating, drinking or smoking. Do not contaminate food, feed, or any body of water. ANHYDROUS BORAX carelessly spilled or applied to cropland or growing plants, including trees and shrubs, may kill or seriously retard plant growth.

FIRST AID: IF ON SKIN, flush with water. Consult physician if irritation persists. IF IN EYES, flush with water for 15 minutes. Call a physician if irritation develops. IF INGESTED, induce vomiting by pressing far back on tongue. Drink large amounts of water or milk. Never give anything by mouth if the victim is unconscious. Consult physician immediately.

DISPOSAL AND DECONTAMINATION:

Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills contact the regional office of Conservation and Protection, Environment Canada.

STORAGE:

Store in a cool, dry place away from food or feedstuff, or where children or animals may have access.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
