GENERAL DIRECTIONS: To be used as a spot or crack and crevice treatment only. Shake well before using. Hold container upright. Apply in short bursts. Use Black Flag and Earwig Killer to control ants, earwigs, cockroaches, silverfish, ticks, fleas, flies and mosquitoes. Apply this product to localized areas where pests are found or may occur. Spray surfaces until wet. Provide adequate ventilation during and after use. Repeat as needed.

FOR INDOOR USE: To kill ants, earwigs, cockroaches, silverfish, spiders and fleas: Spray areas where these pests are found or may hide, including spots in dark corners or rooms and closets; cracks and crevices in walls; along baseboards and door and window frames; behind and beneath sinks, stoves, refrigerators and cabinets and around garbage cans, plumbing and other utility installations. Pests driven out of hiding places should be sprayed directly. Repeat as needed. Do not contaminate food, utensils or food preparation surfaces.

FOR OUTDOOR USE: To kill ants, earwigs, flies and mosquitoes: For ants, apply to ant trails and entry points such as door openings and windows. For earwigs, apply to localized resting areas such as porches, patios and garages and to non-edible flowers and plants. For flies and mosquitoes, apply to outside surfaces of window and door frames as well as other areas where these pests may enter the home.

PRECAUTIONS: Keep out of reach of children. May cause eye or skin irritation. Avoid breathing vapours. Avoid contact with skin. Wash hands after use. In homes or dwellings, remove or cover food and utensils before spraying. Do not use this product on any edible crop. Toxic to fish. Do not apply directly to any body of water. Do not use as a space spray. Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container or store at temperatures over 50 deg C. Avoid freezing of contents.

FIRST AID: If on skin, wash with soap and water. If in eyes, rinse with water. If irritation persists, consult a physician. If ingested, do not induce vomiting due to possible aspiration hazard. Consult physician immediately.

DISPOSAL: Do not reuse empty container. Wrap used container and put in trash collection.
