ANGUS Chemical Company
1500 E. Lake Cook Road
Buffalo Grove, IL 60089

Canadian Agent:
VAN WATERS & ROGERS LTD.
62 Arrow Road
Weston, Ontario M9M 2L9

PRECAUTIONS:

HARMFUL IF SWALLOWED S.S.T. Sump Saver Tablets decompose in the presence of alkaline materials. Protect from vapors of ammonia and amines during handling and storage to prevent deterioration and release of formaldehyde.

FIRST AID:

If swallowed, immediately induce vomiting by giving 2 glasses of water and sticking finger down throat. Never give anything by mouth to an unconscious person.

DIRECTIONS FOR USE:

To provide fast relief from the rancidity which can occur in metalworking fluids, add 1 tablet for each 100 litres of solution to the machine reservoir once a week, preferably on Friday afternoon or before the machine will be idle for some time. For extremely fouled systems, add 2 tablets weekly per 100 litres. Allow fluid to circulate for at least 1 hour after addition.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
