NET CONTENTS 250 mL

Safer Agro-Chem Ltd.
Scarborough, Ontario
M1B 2K4

DIRECTIONS FOR USE:

Wet cat thoroughly with water. Pour a little Vetex Flea Soap into cup of hand, then rub over the entire body until a lather is formed. Allow lather to remain for 5 minutes before rinsing. Bath the cat as frequently as required for flea control or grooming. Proper sanitation of kennels and other pet habitat will help control flea population.

CAUTION:

Concentrated soap may cause irritation. Avoid eye contact.
