1 Litre

PRONTO(R) Weed & Grass Killer

~~Later's~~ Ready-To-Use PRONTO(R) Weed & Grass Killer is a fast acting herbicide which controls weeds and grasses around trees and shrubs, on driveways, patios and along fence lines. Ideal for lawn and garden renovations. DO NOT USE ON DESIRABLE PLANTS.

DIRECTIONS FOR USE: SHAKE WELL BEFORE USING. Use only in upright position. Rotate nozzle until desired spray pattern

is achieved. Thoroughly wet all unwanted grass and weeds. All green parts of plants treated will be killed. Apply anytime during growing season but control is best when grasses and weeds are young. Control of perennial weeds will require repeat treatments.

Later~~s~~ PRONTO(R) Weed & Grass Killer becomes inactivated on contact with soil. It cannot spread to untreated areas and is harmless to tree roots, seeds and mature brown bark.

NOTE: The spray must not contact green bark, other desirable green growth or foliage, as serious injury to the plant may result. As a guide, this container should effectively treat approximately 10m<sup>2</sup>.

PRECAUTIONS: KEEP OUT REACH OF CHILDREN. May be fatal if swallowed. Keep off skin and away from children and pets. Do not inhale; wash after use. Avoid application or drift onto desirable plants. You may treat close to desirable plants, BUT DO NOT ALLOW SPRAY OR DRIFT TO TOUCH THEM. DO NOT re-use the empty container. Dispose of empty container in garbage. Store above 0'C. DO NOT PERMIT CHILDREN OR PETS TO CONTACT SPRAYED AREAS UNTIL DRY.

FIRST AID: IF SWALLOWED, induce vomiting immediately and contact a doctor or poison control centre. IF IN EYES, flush with plenty of clean water and call a doctor. IF ON SKIN, wash immediately and thoroughly with water.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
