CAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contamination of
feed and foodstuffs. Cover or remove fishbowls; remove other
pets. Avoid contact with eyes and skin. Avoid inhalation.

Contents under pressure. Do not use or store near heat or open
flame. Do not place in hot water or near radiators, stoves or
other sources of heat. Do not puncture or incinerate container.
Exposure to temperatures above 50°C may cause bursting.

FIRST AID

IF ON SKIN: Wash thoroughly with soap and water.

IF IN EYES: Flush with water. If irritation persists, obtain medical attention.

IF ACCIDENTALLY SWALLOWED: Obtain medical attention at once.

DIRECTIONS FOR USE

SHAKE WELL BEFORE EACH USE. Remove protective cap. Aim spray opening away from people. Push button to spray.

INDOORS

FOR HOUSE FLIES AND MOSQUITOES (GNATS): Close all doors and windows. Point nozzle upward. Direct the spray mist to all parts of the room, especially windows and other light sources which attract these insects. Fill the room with mist, then leave the treated area. Keep the room closed for 15-30 minutes. Ventilate the room when treatment is completed.

FOR CRAWLING INSECTS: COCKROACHES, EARWIGS, GRAIN MITES, SOWBUGS, SPIDERS, and CENTIPEDES: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas. Spray directly on insects where possible. Repeat as necessary.

ANTS: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

OUTDOORS

TO CONTROL NUISANCE PESTS

WASPS: Application should be made in late evening when insects are at rest. Spray liberally into hiding and breeding places contacting as many insects as possible. Repeat as necessary.

DISPOSAL

When container is empty, press valve to release all remaining pressure. Wrap container and put in trash collection.

SELLER'S GUARANTEE shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risks to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
