JONNY CAT (TM) SCOOP CLUMPING CAT LITTER  
 FLORAL SCENT

99% DUST FREE  
 Fights the growth of germs in the litter box.  
 Anti-Bacterial

Net Contents: 4 kg

DOMESTIC

PRECAUTIONS: Pregnant or nursing women and people with a suppressed immune system should note that a parasite found in cat feces can cause toxoplasmosis. They should exercise caution and consult a physician before handling a litter box. Always wash hands thoroughly after preparing or cleaning the litter box. For further information, consult your local public health office.

JONNY CAT Scoop contains an Anti-Bacterial agent proven to fight the growth of germs in the litter box. The Anti-Bacterial agent is safe for use around cats and people.

Strong Clumping Strength: A unique blend of special minerals clumps waste to effectively eliminate odours and make litter maintenance easy! An ideal choice for multiple cat households!

Eliminates Odours: Contains a natural waste-activated freshener for added odour protection.

Easy Litter Maintenance: No need for constant litter box changes!

Low Dust % Low Tracking: It's 99% dust-free, and larger granules reduce tracking.

JONNY CAT Scoop helps control odours and releases a fresh floral scent on contact with liquid waste.

Instructions for Best Results:

1. FILL

Fill litter box with 8 cm (3 inches) of JONNY CAT Scoop. Do not mix with other litters.

2. CLEAN

Remove waste daily and dispose with regular garbage. DO NOT FLUSH!

3. REFILL

Refill with JONNY CAT Scoop as needed to keep the litter box at 8 cm (3 inches) or more.

DISPOSAL: Dispose of used or unused product with household garbage

TOXOPLASMOSIS WARNING: We want to remind our customers, especially pregnant women and people with suppressed immune systems, that a parasite sometimes found in cat feces can cause Toxoplasmosis. Special care should be taken in handling your litter box. For ease and protection in handling, use litter tray liners and disposable gloves. Keep the litter away from food preparation areas and always wash your hands. Unused litter poses no health threat.

WARNING: Do not flush waste down the toilet or any other waste system. Do not use this product as a traction aid. It becomes slippery when wet. Keep the litter away from food preparation.
