**NATIONAL CHEMSEARCH**  
Division of NCH Canada, Inc.  
245 Orenda Road  
Brampton, Ontario L6T 1E7

Label printed in Canada/Product of U.S.A.

**Not Intended For Household Use or Resale**

**DIRECTIONS:** Aids in reduction of the number of airborne bacteria. Remove protective cap. Hold dispenser upright, pointing valve away from face. Spraying room so that a light fog forms, 15-30 seconds, will reduce the number of airborne bacteria and virus particles. This treatment will provide a temporary decontamination of the air. Repeated applications should be made periodically according to conditions which prevail.

**CAUTION:** Remove or cover all food products before spraying. Food handling surfaces should be cleaned and sanitized with an approved cleaning and sanitizing agent. Do not use to mask odors resulting from unsanitary conditions.

**STORAGE AND DISPOSAL:** Wrap in paper and dispose in garbage receptacle. Do not incinerate. Do not contaminate water, food or feed by storage or disposal.

**FLAMMABLE:** Contents under pressure. Do not use or store near heat or open flame. Do not puncture or incinerate container. Exposure to temperatures above 54.4EC may cause bursting.

**KEEP OUT OF REACH  
OF CHILDREN**

National Chemsearch FLAIR pressurized spray, when used as directed, may be used in hotels, motels, hospitals, restaurants, office buildings, nursing homes, apartments and other areas where air sanitization is indicated.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.
