Sergeant's (R)

Flea Shampoo for Dogs

Cleans, deodorizes, kills fleas, aids in desnarling matted hair.
Lathers freely in hard water.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not contaminate
food or feed. Keep away from animal's eyes and mouth. Consult a
veterinarian before using on pregnant animals, sick animals, or
animals under drug or other pesticide treatment. Do not use on
nursing animals or animals under 8 weeks of age. Discontinue use
if adverse affects are observed. Wash hands after using.

DIRECTIONS: Wet dog thoroughly. Starting at the head and
working back, rub shampoo over dog's entire body until covered
with lather. Do not treat eyes, face or genitals. Allow lather
to stand about five minutes. Then rinse. For effective flea

control, treatment of the pet should be combined with the sanitation of any area used by the pet. Vacuum floors, carpets, and furniture (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding areas. If pest problems persist, an insecticidal premise treatment may be required. Sergeant's Flea Shampoo becomes cloudy at low temperatures but clears up at room temperature.

DISPOSAL: Do not reuse empty container. When empty, wrap container and discard in household garbage.

FIRST AID: If in eyes or on skin, flush with clean water. If irritation, or if accidentally swallowed, obtain medical attention or call a poison control centre.

Made in U.S.A.
