DIRECTIONS FOR USE: For control of bacteria and fungi in drilling mud, VISCIDE 15B16 is used at the rate of 3.0 - 12.5 L per 10,000 L of drilling mud (0.024% - 1.2%). Add to pump suction or put in through the mud hooper.

For control of bacteria and fungi in secondary oil recovery waterflood systems VISCIDE 15B16 is used at the rate of 0.375-5.4 L per 10,000 L of water.

PRECAUTIONS: VISCIDE 15B16 is irritating to skin and eyes. Avoid contact with skin, eyes or clothing. Do not take internally. Wear goggles, rubber gloves and protective clothing (hat, long-sleeved shirt, long pants, boots) when handling. Remove clothing that has been in contact with this product and wash thoroughly before reuse. Do not contaminate water, food, or feed.

FIRST AID: Wash skin with soap and water for at least 15 minutes. If contacted with eyes, flush with water and get immediate medical attention. If swallowed, do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

DISPOSAL:

1. Close valve
2. Arrange for return of Porta-Feed.
3. For information on the disposal of unused, unwanted product and the cleanup of spills of contact the regional office of Environment Canada.
4. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN # 3.

TOXICOLOGICAL INFORMATION: Undiluted product could be fatal if swallowed. Give patient repeated glasses of water and contact physician.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
