DIRECTIONS FOR USE: For use in manufacturing, formulating or repackaging. To be used only in the manufacture of a product which is registered under the PEST CONTROL PRODUCTS ACT. Read Technical Bulletin for formulation details.

CAUTIONS: Strictly observe all precautions for handling and using pesticides. Wear protective clothing, gloves and respirator when opening drums. Avoid contact with skin, eyes and clothing. Do not contaminate food, feed or water supplies by storage or disposal. This product may be harmful to honey bees and birds and other wildlife.

FIRST AID: If poisoning is suspected, call a physician immediately.

If on skin, remove contaminated clothing immediately. Wash skin thoroughly with soap and water.

If in eyes, immediately flush eye with large amounts of clear water for at least 15 minutes. Hold eyelids apart to ensure thorough rinsing. See a doctor.

If swallowed, give large quantities of water and induce vomiting. Never give anything by mouth to an unconscious or convulsive person. Artificial respiration may be required. See a doctor.

If inhaled, move to fresh air, change clothing, wash thoroughly and see a doctor. Artificial respiration may be required.

TOXICOLOGICAL INFORMATION: Dichlorvos is an organophosphorous cholinesterase inhibitor. Atropine alone or in conjunction with pralidoxime chloride (2-PAM chloride).

DISPOSAL AND DECONTAMINATION: Do not re-use container. Crush, break or puncture empty containers and bury, or deliver them to sanitary land fill dumps in accordance with municipal and provincial requirements. For additional details on the disposal of containers and for information about the appropriate means of disposing of unused, unwanted product, contact the regional office of the Environment Protection Service.

STORAGE: Store in original container in a well-ventilated, cool, dry, and secure area. Ship and store away from food, feed or seed. Keep containers tightly closed.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

IN CASE OF EMERGENCY INVOLVING A MAJOR SPILL, FIRE OR POISONING, CALL 1-800-267-6351
