PIC PEST CONTROL BOTTLE LABEL

APPLICATION: Hold sprayer upright and apply as a spray or stream to infested surfaces until wet. Do not use as a space spray on pets, humans or plants. Avoid excessive wetting on asphalt, tile, rubber and plastic materials. Remove or cover all food and utensils before treatment. Apply around sinks and drainpipes, behind appliances, around house foundations, garbage can areas, around house foundations, garbage can areas, patio areas, window frames and doorways.

DIRECTIONS FOR USE: DO NOT apply directly to carpets, floor coverings, bedding, clothes or furniture as damage may occur. ALL APPLICATIONS MUST BE MADE AS SPOT SPRAY ONLY. COCKROACHES, ANTS, SILVERFISH, CRICKETS, EARWIGS, CARPET BEETLES, SOWBUGS, MILLIPEDES AND CENTIPEDES: Apply spray to surface until wet; to areas around water pipes, cracks and crevices, surfaces behind and beneath cabinets, refrigerators, sinks, stoves, baseboards, window and door frames, etc. and similar areas where these insects travel and/or hide. Repeat as necessary.

BROWN DOG TICKS AND FLEAS: Spray infested areas around baseboards, windows and doorframes, wall cracks, sleeping areas of pets and localized areas of floor and floor coverings. Repeat as necessary. Place fresh bedding in animal quarters after treatment. DO NOT TREAT ANIMALS. PORCHES, PATIOS, GARAGES AND OTHER AREAS AROUND THE HOME WHERE INSECTS HIDE: To help control crickets, ants, spiders, earwigs and certain other insects, spot-treat areas where the insects congregate.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN

- Do not permit children or pets to contact sprayed areas until dry.
- Avoid contact with dip tube.
- May cause irritation to skin or eyes.
- Avoid inhaling spray mist or contact with eyes, skin and clothing. Wash thoroughly after use.
- Avoid contamination of food, feed, utensils, drinking water or any body of water. Remove or cover all food and utensils before treatment. Wash contaminated food surfaces, utensils and clothing with soap and water before reusing.

FIRST AID: If swallowed, do not induce vomiting. Obtain medical attention. If on skin, wash with soap and water. Remove contaminated clothing. If in eyes, flush with water and obtain

medical attention.

TOXICOLOGY: Contains a cholinesterase inhibitor. Atropine is an antidote.

ENVIRONMENTAL HAZARDS: This product is toxic to fish and crustaceans.

STORAGE: Keep product in original container and do not store near food, feed or seed. Keep the nozzle above liquid level in the can to prevent leakage from nozzle.

Do not store below 0'C.

DISPOSAL: Do not re-use container. Dispose of empty container in household garbage.
