DIRECTIONS FOR USE

This repellent is intended for use alone, or in combination with pyrethrum synergists, pyrethrins and other insecticides, in the preparation of liquid and pressurized sprays designed to repel cockroaches and ants which are registered under the Pest Control Products Act.

PRECAUTIONS: Harmful if swallowed. Avoid contact with skin or eyes. In case of contact with skin or eyes, flush with plenty of water. Avoid contamination of food or feedstuffs.

Do not contaminate any body of water with equipment cleaning solutions, spillage or wastage.

DISPOSAL & DECONTAMINATION: Drums may be reused after thorough cleaning and reconditioning. If not, make container unusable for further use and dispose of in accordance with provincial requirements. Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills contact the regional office of the Environmental Protection Service.

STORAGE: Keep container closed. Store in a cool place. Mix well in drum before sampling and each use. Do not store, pour or spill near heat or open flame.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
