PRECAUTIONS: MAY BE FATAL IF SWALLOWED. May be absorbed by through skin. Causes severe eye and skin damage. Avoid breathing spray mist. Do not get into eyes, on skin or clothing. Wear rubber gloves, and goggles or face shield, when handling. Wash thoroughly after handling. Remove and wash contaminated clothing before reuse.

FIRST AID: In case of swallowing, take patient immediately to a hospital or physician. In case on contact with skin, wash thoroughly with soap and water. If irritation persists, get medical treatment. In case of contact with eyes, flush promptly and thoroughly with clear water. In case on ingestion or contact with eyes, secure immediate medical attention.

ECOLOGICAL: Do not contaminate or store near feed or foodstuffs. This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, ponds, streams, or public waters. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply the product only as specified on this label. Do not reuse empty container. Send to

drum reconditioner, or destroy by perforating or crushing and bury in a safe place.

DESCRIPTION AND USE

Betz Slimicide C-30 aids in the control of objectionable forms of slime-forming micro-organisms in industrial cooling tower water equipment.

This product may be fed either intermittently or continuously at rates of 0.01 to 0.09 kg/kl of water contained in the system. The frequency of feeding and the duration of treatment are dependent upon the severity of the problem.

FOR INDUSTRIAL USE ONLY. Technical advice regarding specific site problems is available from BETZ.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

KEEP CONTAINER COVERED - PROTECT FROM FREEZING
