this product and accepts the product on that condition.

A QUATERNARY AMMONIUM BIOCIDES FOR USE IN OPEN COOLING WATER SYSTEMS.

DIRECTIONS FOR USE:

Dosages and method of application of CSW 824 will depend on the type of equipment to be treated and the type and quantity of microbiological life involved.

Initial dosage of CSW 824 should be 24 ppm (240 mL per 10 000 litres of water in the system). In presence of algal/fungal slimes, use 48 ppm (480 mL per 10 000 litres of water in the system). For maintenance of system, use 8 ppm (80 mL per 10 000 litres of water) for continuous feed, or 8-24 ppm (80-240 mL per 10 000 of water) once a week.

Slug additions should be made to cooling tower basin or sump, or at an alternative point which provides good mixing.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN

Corrosive, causes severe eye and skin damage. Do not get in eyes, on skin or on clothing. Protect eyes and skin when handling. Harmful if swallowed. Avoid contamination of food. Do not use in potable water systems.

FIRST AID INSTRUCTIONS:

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available, drink large quantities of water. Call a physician or poison control centre immediately.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional

cleaning of the container prior to its disposal or reconditioning.

3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills contact the Provincial Regulatory Agency or the Manufacturer.
5. For small spills, recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN #4.

KEEP FROM FREEZING
