(R)Can. Trade Mark Reg'd

TO MOTHPROOF FOR 12 MONTHS:

Clean and brush woollens. Dry clean if soiled. Spray at rate of 30 sec. per square metre. Spray each article evenly from about 45 cm from fabric. After treatment articles should feel slightly damp. Pay attention to folds, seams, cuffs, etc. and spray both sides if possible. Spray inside of closets or containers and cracks and crevices before storing treated articles. Air articles before using. Repeat application if articles are washed or dry cleaned.

PRECAUTION: Keep out of reach of children. Do not spray near food or household pets. Avoid inhalation. Do not use on furs, rayons, silk or satin materials. Do not spray on plastics or asphalt mastic tile. DO NOT SMOKE WHILE SPRAYING. Keep away

from open flame or spark. Contents under pressure. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container, or store at temperatures over 50 deg C.
