PEST CONTROL PRODUCTS ACT

NET CONTENTS 540 mL

CAUTION
FLAMMABLE

Manufactured for:
Advantage Pet Products RR#3
2365 Whittington Drive
Peterborough, Ontario
K9J 6X4

DIRECTIONS:

Shake well before using. Hold container in upright position 25 to 30 cm from pet and spray entire body beginning at tail and working towards the head. Do not spray face, eyes or genital area. As you spray, fluff the hair so that spray will penetrate to the skin, but spray only until hair is damp - not wet. Spray ticks directly. Do not treat more often than once a week. Also spray bed and living quarters if needed. Repeat weekly as necessary. Do not use on nursing females or on puppies or kittens under eight weeks of age. Do not use on sick animals. Do not use on animals under drug or pesticide treatment. Before use on pregnant animals consult a veterinarian.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Discontinue use if dermal or nasal irritation develops. Do not use near fish, food or foodstuffs. Avoid inhalation of spray. Wash hands after use.

FIRST AID:

If sprayed in your eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, induce vomiting, obtain medical attention or call a poison control centre at once.

DISPOSAL:

DO NOT RE-USE CONTAINER. Wrap and dispose of empty container in regular household garbage.
