USE PRECAUTIONS: Keep away from heat, sparks and flame. Use with adequate ventilation. Do not leave container open. Avoid contact with eyes.

FIRST AID: In case of contact with eyes, wash for 15 minutes with clean water, then get medical attention.

DIRECTIONS FOR USE: Use 2.5 litres of Herbicide Booster per 500 litres of final spray mixture. Herbicide Booster should be the last ingredient added to spray mixture. Crop injury may occur if sprayed on corn more than 25 centimetres high.

NOTICE TO USER: This control product is to be used only in

accordance with the directions on this label. It is an offence under the Pest Control Act to use a control produce under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risks to persons or property arising from the use or handling of this product and accepts the product on that condition.
