Weston, Ontario M9L 1M8

Vaudreuil, P.Q.

NOTICE TO USER - This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

Use K-500 for plant sanitation, hand-dipping and mould control.
Use Concentration: 1.6 mL/Litre (=200 ppm available chlorine).

Surfaces subject to direct food contact must be thoroughly rinsed with potable water.

PRECAUTION: Avoid contact with eyes, skin and clothing.

Dangerous gas formed when mixed with acid. Do not mix with a toilet bowl cleaner, rust remover, household ammonia or acids.

FIRST AID INSTRUCTIONS: If splashed in eyes or on skin, flush thoroughly with water. If swallowed, give 1 or 2 glasses of milk or warm water. Call physician immediately. Keep patient warm.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
