H90/A-1

C-I-L Vegetation Killer effectively eliminates unwanted weeds and grass for one year.

DIRECTIONS

Handy granules for application straight from the container. Sprinkle 500 g per 10 m2 evenly over driveways, parking areas, paths, fence lines or any areas where all weed or grass growth is to be destroyed. Apply in spring. For application later in the season, cut weeds and grass before application. Water thoroughly

after application. Repeat treatments may be necessary to keep areas clear.

PRECAUTIONS: Do not use on lawns, flower gardens, borders, or near desirable plants. Do not apply to soil covered with a highly flammable material such as sawdust. Although this product is not flammable itself, it causes the combustion of flammable materials. Store in a cool dry place away from foodstuffs. Keep children and pets off treated area during application and until dry.

DISPOSAL: Dispose of empty container with household garbage.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This package is sold by weight, not by volume. It contains full net weight indicated. Settling will occur during shipping and handling.
