Richmond, B.C. V7A 4V5

DIRECTIONS FOR USE: Shake well before using. Hold container about 30 cm from animal or surface to be treated. May be used indoors or outdoors.

DOG & CAT FLEAS AND AMERICAN DOG & BROWN DOG TICKS ON DOGS AND CATS: Start spraying at the animal's head - avoiding the eyes, nose and mouth as you spray. Make sure that the animal's entire body is covered, including the legs, under body and tail. While spraying, fluff the hair so that spray will penetrate to the skin. Make sure spray wets thoroughly. Spray contains a fragrance that leaves animal smelling fresh. Repeat as necessary. Do not use on nursing puppies or kittens less than 8 weeks old. Do not use on sick animals. Do not use on animals

under drug or pesticide treatment. Before use on pregnant animals consult a veterinarian.

PET AREAS: To control fleas and ticks on premises: Thoroughly spray infested areas, pet bedding, resting quarters, nearby cracks and crevices, along and behind baseboards, moldings, window and door frames and localized areas of floor and floor covering. Concurrent treatment of animals is recommended. Repeat treatment as needed.

STORAGE AND DISPOSAL: Keep pesticide in original container. Do not put into food or drink containers. Avoid contamination of feed and foodstuffs. Store in a cool, dry place, preferably in a locked storage area. Partially filled bottle may be disposed of by securely wrapping original container in several layers of newspaper and discarding trash. Do not reuse empty container. Wrap and dispose of empty container in household garbage.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid contamination of feed and foodstuffs. Remove pets, birds and cover fish aquarium before space spraying or surface applications. This product is toxic to fish. Do not apply directly to lakes, ponds, streams, tidal marshes or estuaries. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID: If Swallowed, drink one or two glasses of water and induce vomiting by touching the back of the throat with finger. Repeat until vomit fluid is clear. Call a doctor or poison control centre immediately. Do not induce vomiting or give anything by mouth to an unconscious person. If Inhaled, remove victim to fresh air. Apply artificial respiration if indicated. If on Skin, remove contaminated clothing and wash affected areas with soap and water. If in Eyes, flush eyes with plenty of water. Call a physician if irritation persists.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
