5507 First Street S.E., Calgary, Alberta T2H 1H9
Tel: (403) 253 8471

DIRECTIONS FOR USE:

To be used only in the manufacture of a herbicide which is registered under the *PEST CONTROL PRODUCTS ACT* or a fertilizer-pesticide registered under the *FERTILIZERS ACT*.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN AND/OR UNAUTHORISED PERSONNEL.
Harmful if swallowed. May cause skin and eye irritation. Avoid contact with skin, eyes or clothing. Wear protective goggles and gloves when handling. Wash hands and exposed skin thoroughly after handling.

FIRST AID:

If swallowed: INDUCE VOMITING. Take patient to nearest hospital, or contact a poison control center IMMEDIATELY.

In case of skin contact: Remove contaminated clothing and wash skin thoroughly with soap and water.

If in eyes: Flush with plenty of water for 15 minutes and get medical attention, or contact a poison control center IMMEDIATELY.

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

STORAGE:

Keep in original container during storage. Store product in a cool, dry, well ventilated place away from seed, feed, fertilizer or other pesticides. Keep away from fire or open flame, or other sources of heat.

DISPOSAL:

Canadian formulators using this product should dispose of unwanted active ingredient and containers in accordance with municipal or provincial regulations. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

SPILLAGE CLEAN-UP:

Keep bystanders away. Do not smoke, drink or eat during clean-up operations. Wear protective equipment (respirator, coveralls, rubber boots and protective gloves), and absorb the liquid onto soil, sawdust or other suitable absorbent material and shovel into a drum. Add broken packages to the drum and seal for removal to an approved disposal site. Remove and wash all protective clothing and equipment. Shower and wash thoroughly with soap and water on completion of mopping up operation. For details on spill cleaning contact the Provincial Regulatory Agency and the Manufacturer.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the *PEST CONTROL PRODUCTS ACT* to use a control product under unsafe conditions.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on this label and, subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
