#### FIRST AID

IF INHALED: Remove affected person to fresh air. Apply artificial respiration if indicated.

IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.

IF ON SKIN: Wash affected areas with soap and water. Get medical attention if irritation persists.

IF ACCIDENTALLY SWALLOWED: obtain medical attention at once.

## CAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin and eyes. Do not inhale spray mist. Avoid contamination of feed and foodstuffs. Cover or remove fish bowls; remove other pets. Wash hands after spraying and before meals. Cover or remove food and cooking utensils.

Contents under pressure. Do not use or store near open flame. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture or incinerate container. Exposure to temperatures above 50°C may cause bursting.

## DIRECTIONS FOR USE

Shake well before each use.

Remove protective cap. Aim spray opening away from person. Push button to spray.

For house flies, mosquitoes: Close all doors and windows. Point nozzle upwards, direct the spray mist to all parts of the room especially the windows and other light sources that attract these insects. Fill the room with mist, then leave the treated area. Keep the room closed for 15-30 minutes. Ventilate the room when treatment is complete.

For Wasps: Application should be made late evenings when insects are at rest. Spray liberally into hiding and breeding places, contacting as many insects as possible. Repeat as necessary.

For crawling insects, Cockroaches, Earwigs, Sowbugs, Spiders: Spray thoroughly into hiding places such as cracks, crevices, moist areas, openings around pipes and sinks, under refrigerators, baseboards and storage areas. Spray directly on insects when possible. Repeat as necessary.

For Ants: Spray trails, nests and points of entry. Spray on ants where possible. Repeat as necessary.

## DISPOSAL

When container is empty, press valve to release all remaining pressure. Wrap and dispose of empty container in household garbage.

NOTICE TO USER:

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

SELLER'S GUARANTEE:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto. The buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
