KEEP OUT OF REACH OF CHILDREN

BURGHAM SALES LTD.  
470 Finchdene Square  
Scarborough, Ontario M1X 1C2

NET CONTENTS \_\_\_\_\_ mL

(416) 293-8080

DIRECTIONS FOR USE:

Shake well before using. Wet dog or cat with warm water. Apply shampoo liberally beginning at the head and working backward until entire body is covered (approximately 5mL/kg). Pay special attention to neck and hindquarters. Do not treat eyes, face or genital area of pet. For difficult infestations, allow lather to remain on animal for three to five minutes. Rinse thoroughly. Use only once in two weeks. For effective flea and tick control, treatment of the pet should be combined with sanitation of any area used by the pet. Vacuum floors, carpets and furniture (discard vacuum bag after use) and wash the pet's bedding, living quarters and surrounding areas. If pest problems persist, an insecticidal premise treatment may be required. Do NOT use solely as a shampoo when there is no pest problem. Do not use on animals under twelve weeks of age. Do not treat nursing females. Do not use on sick animals. Do not use on animals under drug or pesticide treatment. Before use on pregnant animals consult a veterinarian.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN. Do not contaminate food or feed. Keep away from animals' eyes and mouth. Wash hands after using. A veterinarian should be consulted when pest infestation continues to be a problem on the pet.

FIRST AID FOR PETS:

If in eyes or on skin, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention or call Poison Control Centre at once. Sensitivities may occur after using ANY pesticide for pets. If signs of sensitivity occur, bathe the pet with mild soap and rinse with large amounts of water. If signs continue, consult a veterinarian immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

FIRST AID FOR HUMANS:

IF SWALLOWED: call a poison control centre or doctor immediately for treatment advice. Do not induce vomiting unless told to do so by a poison control centre or doctor. Do not give any liquid to the person. Do not give anything by mouth to an unconscious person. IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control centre or doctor for treatment advice. IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first five minutes, then continue rinsing eye. Call a poison control centre or doctor for treatment advice.

TOXICOLOGICAL INFORMATION:

Treat symptomatically.

DISPOSAL:

DO NOT REUSE CONTAINER. Wrap and dispose of empty container in household garbage.
