DIRECTIONS FOR USE

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is designed for use with appropriate carriers and propellents to produce a pressurized insecticidal product. Read technical bulletin or products information for formulation details.

PRECAUTIONS: Harmful if swallowed, inhaled or absorbed through skin. Causes eye irritation. Avoid contact with skin and eyes. Avoid contact with clothing. Wash thoroughly after handling. Avoid breathing vapors. Avoid contamination of food and feedstuffs.

This product is toxic to fish and other aquatic animals. Do not contaminate water by cleaning of equipment or disposal of wastes.

FIRST AID: If on skin, wash thoroughly with soap and water. If in eyes, rinse with plenty of water. If irritation develops or persists, consult a physician. If ingested do not induce vomiting because of aspiration hazard. Call a physician immediately.

DISPOSAL & DECONTAMINATION: Rinse the empty container thoroughly and add the rinsings to the formulation tank. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reuse. Make the empty container unsuitable for further use and dispose of in accordance with provincial regulations. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the regional office of Conservation and Protection, Environment Canada.

STORAGE: Warm to room temperature and mix well in drum before sampling and each use. Keep the container closed. Store in a cool place. Do not store, pour or spill near heat or open flame.

NOTICE TO USER: This Control Product is to be used only in accordance with the directions on this label. It is an offense under the Pest Control Products Act to use a control product under unsafe conditions.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label.
