NET WT. 114g (4 oz.)

Wisconsin Pharmacal Company
1 Repel Road
Jackson, WI 53037
Made in the U.S.A.

DIRECTIONS FOR USE: TO BE USED ONLY WHEN PROTECTION FROM SUNBURN AND MOSQUITOES/BLACK FLIES IS REQUIRED (NOT TO BE USED SOLELY AS A SUNBLOCK). To repel mosquitoes/black flies and block the sun, apply a thin uniform film to exposed skin areas avoiding eyes and

mouth. Do not use under clothing. Repeat as needed only if exposure to mosquitoes/black flies continues. Frequent reapplication and saturation is unnecessary for effectiveness. Avoid overexposure. Wipe hands after use. After returning indoors, wash hands and treated skin with soap and water.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON INFANTS OR TODDLERS. Harmful if swallowed. Avoid contact with eyes or mouth. May cause eye injury. Do not apply over cuts, wounds, sunburned or irritated skin. Do not apply to the hands of young children. Use of this product may cause skin reactions in rare cases. Avoid contact with plastics, acetate, and spandex.

FIRST AID: In case of eye contact, flush with water and get medical attention. If you suspect a skin reaction to this product, wash treated skin and get medical attention. If swallowed contact a physician or Poison Control Center immediately.

DISPOSAL: Do not reuse empty container. Wrap empty container and discard in household garbage.
