Flea and Tick Shampoo is specially formulated for professionals. Effectively kills dog and cat fleas, American dog and brown dog ticks on dogs and cats while providing a clean and lustrous coat.

Directions for use:

- 1 To use, wet the dog or cat's coat thoroughly with water.
- 2 Pour shampoo into hand or onto the animal and work thoroughly into the coat starting with the head. Avoid the animal's eyes and mouth.
- 3 Work backwards until the coat is completely covered with foamy lather. Pay special attention to neck and hindquarters. Do not treat scrotum of animal. Allow lather to penetrate the fur for 5 minutes.
- 4 Rinse animal's coat completely to remove shampoo and towel dry.

To be effective, flea and tick control must be combined with

clean-up and sanitation of the animal's living quarters. Vacuum carpets and wash animal's bedding, quarters and surrounding areas to remove pests. Animal's bedding and quarters may also be treated with a product labelled for flea and tick control of animal's quarters.

Precautions: KEEP OUT OF REACH OF CHILDREN. Harmful if swallowed. Avoid contact with eyes. Avoid contact with animal's eyes and mouth. Do not use on nursing females. Do not use on puppies or kittens under 8 weeks of age. Do not use on sick animals or animals under drug or pesticide treatment. Before use on pregnant animals, consult a veterinarian.

First Aid: If swallowed: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Contact a physician or Poison Control Center immediately.

If in eyes: Immediately flush with plenty of water. Contact a physician if irritation persists.

Notice to User: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

Storage: Store in a cool, dry place. Keep container closed.

Disposal: Follow provincial instruction for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the empty container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the clean up of spills, contact the regional office of Conservation and Protection, Environment Canada.
