(BACK of Bottle)

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.

Harmful if swallowed. Do not contaminate food or feed. Keep away from animal's eyes and mouth. Consult a veterinarian before use on pregnant or nursing females, on animals under eight weeks of age, on sick animals or on animals under drug or other pesticide treatment. Wash hands after use.

FIRST AID: If swallowed or inhaled, obtain medical attention or contact a poison control centre at once. If inhaled, remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. If on skin, wash thoroughly with soap and water. If in eyes, flush with clean water. If irritation persists, obtain medical attention or contact a poison control centre. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat symptomatically.

STORAGE: Store in a cool, dry area.

DISPOSAL:

1. Triple- or pressure-rinse the empty container. Add the rinsings to the treatment site.
2. Follow provincial instruction for any required additional cleaning of the container prior to its disposal.
3. Make the empty container unsuitable for further use.
4. Dispose of the container in accordance with provincial requirements.
5. For information on disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

DIRECTIONS FOR USE: TO KILL FLEAS AND AMERICAN AND/OR BROWN DOG TICKS ON DOGS AND CATS. Wet animal thoroughly with warm water. Apply product to the back of the animal and massage well down to the skin to obtain a good lathering of the entire body. Pay special attention to neck and hindquarters. Allow lather to remain for 10 minutes. Do not treat eyes, face or genitals of pet. Rinse with warm water. For maximum results, repeat process as directed above. Dry animal thoroughly and comb. Repeat shampoo as needed.

Ecto-Soothe Plus, using Spherulites, represents a breakthrough in skin care technology.

SPHERULITES®: an exclusive and patented encapsulation system containing oatmeal and glycerine was developed by Allerderm Virbac to reinforce the grooming quality and the cosmetic properties of the formulations.
