Toronto, Ontario M6K 1W9

DIRECTIONS FOR USE:

GROTAN* M - 15 is added to metalworking fluids at concentrations of 250 to 1500 mL per 1000 L (250 to 1500 ppm GROTAN* M -15). Ideally, this preservative should be dispensed into the use-dilution of the metalworking fluid by a metering pump and uniformly dispersed throughout the system. For assistance or advice, contact Gray Products Technical Service Laboratory.

PRECAUTIONS:

Danger - Corrosive to eyes and causes skin burns. May cause allergic skin reaction. May be harmful if inhaled. May be fatal if swallowed or absorbed through skin. Do not get into eyes, on skin or clothing. Wear goggles or face shield and rubber gloves when handling. This product is toxic to fish and wildlife. Treated effluent should not be discharged where it will drain into lakes, streams, ponds or public water. Do not contaminate water by cleaning of equipment or disposal of water.

STORAGE: Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited. Do not re-use plastic container.

DISPOSAL: Empty containers should be rinsed 3 times with the diluted metalworking fluid. The fluid used for rinsing should be put back into the cutting fluid system. For metal containers, reconditioning (for plastic containers dispose in an incinerator), or dispose in a landfill approved for pesticide containers for bury in a safe place.

FIRST AID INSTRUCTIONS:

IF SWALLOWED: Do not induce vomiting. Drink promptly a large quantity of milk, egg whites, gelatin solution or if these are not available drink large quantities of water. Avoid alcohol. Call physician immediately.

IF INHALED: Remove immediately to fresh air. If not breathing, apply artificial respiration. If breathing is difficult, give oxygen. Call physician.

IF ON SKIN: Wash thoroughly with soap and water. Remove and wash contaminated clothing before re-use.

IF IN EYES: Wash with plenty of water for at least 15 minutes. Call a physician.

TOXICOLOGICAL INFORMATION: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression and convulsions may be needed.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the PEST CONTROL ACT to use a control product under unsafe conditions.
