DIRECTIONS: BUGWISE is ready to use. No further dilution is required. Its special formula is nonstaining, and has no conspicuous odour. Water, not petroleum distillate is used as the diluent. SHAKE WELL BEFORE USING.

INDOOR PESTS: Spot treat for the control of ants, cockroaches,

silverfish, spiders, and sowbugs. Apply to areas where these crawling pests may enter or hide such as along door sills and base boards, in cracks and crevices in walls and floors, behind and beneath sinks and refrigerators etc. Spot treatment for house flies. Spray around windows and doors where houseflies alight. Do not use in food storage areas or on surfaces that may contact foods. Spray until surface is damp but not to the point of run-off. Repeat as necessary.

INDOOR PLANT PESTS: Controls aphids and whitefly. Wet upper and lower leaf surfaces thoroughly. Safe to use on most plants. Before treating delicate plants such as Coleus and African Violet spray 1 or 2 leaves. If no effect is noticed after 2 days it is safe to treat whole plant. Do not spray to run-off. Repeat treatment as necessary.

OUTDOOR PLANT PESTS: Controls aphids, leaf eating caterpillars, thrips, and leafhopper on ornamental plants. Do not use on fruits and vegetables. Wet upper and lower leaf surfaces thoroughly. Do not spray to run-off. Spray when insects first noticed and then as required.

PRECAUTIONS: KEEP OUT OF THE REACH OF CHILDREN. Do not use as a space spray. Avoid contamination of food, feed, cooking utensils or drinking water. Wash thoroughly before eating, drinking and smoking. This product is very toxic to fish. Remove fish bowls and aquariums from the treated area.

FIRST AID: If in eyes, rinse with clean water for 15 minutes. If on skin, wash off with soap and water. If irritation persists, seek medical attention. If swallowed, give patient 1 to 2 glasses of water and induce vomiting by inserting finger down throat; seek medical attention or contact poison control centre.

DISPOSAL:

1. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
2. Make the empty container unsuitable for further use.
3. Dispose of empty container in accordance with provincial/territorial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the manufacturer.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
