**DIRECTIONS FOR USE:**

**HORSES:** Shake container well before using. To repel biting midges, black flies, stable flies and hornflies. Apply a light mist sufficient to wet the surface of the hair. To control stable flies, horse flies and face flies, apply at the rate of 60 mL per adult horse, sufficient to wet the hair thoroughly. Repeat treatment as needed but not more than once a day. Not to be used on newborn or nursing foals. Do not soak skin. Do not apply to back of animal prior to saddling. Do not cover horses after treatment. Do not spray on face of animal; wipe on face avoiding eyes and mouth. To use as a wipe-on, moisten a soft cloth with Carr Day & Martin Insect Repellent Spray and apply by rubbing against the natural lay of the hair. If irritation appears discontinue use.

**PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN.** Avoid inhalation of spray. Not for use on humans. Avoid contact with skin and eyes. Harmful if swallowed, inhaled or absorbed through skin. Wash after using. If irritation appears discontinue use. Vacate room after treatment and ventilate before reoccupying. Do not use on sick animals or animals under drug or pesticide treatment. Before use on pregnant animal, consult a veterinarian. Wash contaminated clothing before reuse. Do not contaminate feed, food or litter. Do not contaminate food-handling equipment. Store in original container away from feed and food. Do not contaminate any body of water. Highly toxic to crabs, fish and shrimp. Harmful to wildlife if allowed to contaminate lakes and streams. Do not use in areas where beekeeping equipment or supplies are stored, or where milk is stored or processed.

**DISPOSAL:** Do not reuse container. Follow provincial instructions for any required additional cleaning of the container prior to its disposal. Make the empty container unsuitable for further use. Dispose of the container in accordance with provincial requirements. For information on the disposal of unused, unwanted product and the cleanup of spills, contact the Provincial Regulatory Agency or the manufacturer.

**FIRST AID: If on skin,** wash thoroughly with soap and water. **If in eyes,** flush with clear water for 15 minutes; get medical attention IMMEDIATELY. Product contains Petroleum Distillate. **If swallowed,** DO NOT induce vomiting. Call physician IMMEDIATELY or Poison Control Centre. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

**TOXICOLOGICAL INFORMATION:** Treat symptomatically.

**NOTICE TO BUYER:** Seller's Guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

**NOTICE TO USER:** This control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product under unsafe conditions.
