THIS PRODUCT MAY BE USED IN FOOD PROCESSING ESTABLISHMENTS

- DESCRIPTION -

Q-4265 is a mild cleaner, but a POWERFUL disinfectant, fungicide, virucide, microbicide and bactericide, designed specifically for areas, where housekeeping is of prime importance in controlling pathogenic bacteria.

Q-4265 can provide the assurance you need when used as directed on floors, walls, sink tops, garbage pails, telephones, rest rooms, bed pans, counters and other hard surfaces.

PRECAUTIONS: DANGER - Corrosive to the eyes - may cause skin irritation. Avoid eye contact with diluted or undiluted product. Avoid contact on skin.

FIRST AID: In case of contact, flush eyes or skin with plenty of water. For eyes call a physician. If swallowed, drink milk or large quantities of water. Call a physician.

NOTICE TO USER - "This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions."

- DIRECTIONS FOR USE -

The recommended dilution is 1 part DISINFECTANT per 100 parts of water. This is the equivalent to 10 mL per liter of water. At this level Q-4265 will kill the following microorganisms.
