Read the label before using

460 mL

For best results, please follow one of the two methods suggested.

DIRECTIONS: 1. Apply with a sponge or cloth, beginning with head and ears to prevent pests from crawling inside ears and nose. 2. Keep away from eyes. 3. Pay special attention to neck and hindquarters but also apply to other parts of body taking care to treat individual ticks. 4. Do not treat eyes, face or scrotum. 5. Wipe off with thick towel or allow to dry. 6. Once dry, brush out thoroughly. 7. Swab out ears.

ALTERNATE METHOD DIRECTIONS: 1. Wet animal thoroughly. 2. Apply shampoo working lather completely down to the skin from head to tail., paying special attention to neck and hindquarters. 3. Do not treat eyes, face or scrotum of pet. 4. Allow lather to remain for 5-10 minutes. Rinse well and let dry. 6. Once dry, brush out thoroughly. 7. Swab out ears.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Do not contaminate food or feed. Keep away from animal's eyes and mouth. Wash hands after use. Do not use on nursing females or animals under eight weeks of age. Do not use on sick animals. Do not use on animals under drug or pesticide treatment. For use on pregnant animals consult veterinarian.

DISPOSAL: Do not reuse container. Wrap and dispose of empty container with household garbage.

FIRST AID: If the product gets in eyes or skin, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, obtain medical attention at once or contact a poison control centre. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

TOXICOLOGICAL INFORMATION: Treat Symptomatically.
