Liquid Microbiocide

DIRECTIONS FOR USE

**COOLING WATER SYSTEMS:** For the control of algae, bacteria, and fungi in commercial and industrial cooling water systems, add this product as follows:

*Initial dose:* 20-120 ml per 1,000 L water in the system.

*Maintenance dose:* Every 1 to 5 days or as needed, 6.4 to 40 mL per 1,000 L of water in the system.

**DISPOSAL:** Do not reuse this container for any purpose. This is a recyclable container, and is to be disposed of at a container collection site. Contact your local distributor/dealer or municipality for the location of the nearest collection site:

1. Triple or pressure-rinse the empty container thoroughly and add the rinsings to the treatment site.
2. Make the empty, rinsed container unsuitable for further use. If there is no container collection site in your area, dispose of the container in accordance with provincial requirements. For information on disposal of unused, unwanted product, contact the manufacturer or the Provincial Regulatory Agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN

POTENTIAL SKIN SENSITIZER

**DANGER:** Corrosive, causes eye and skin damage. POTENTIAL SKIN SENSITIZER. Harmful if swallowed.

Wear a full-face NIOSH-approved respirator, chemical resistant gloves, long pants, a long-sleeved shirt, shoes plus socks, and a chemical-resistant apron during mixing/loading, clean-up, and repair activities. Contact of the product with clothing, skin or eyes should be avoided. Users should remove clothing/protective equipment immediately if this product comes in contact with the skin through soaked clothing or spills. Then, thoroughly wash the skin and put on clean clothing. Discard clothing or other absorbent materials that have been drenched or heavily contaminated with the concentrate of this product. Do not re-use them. Users should wash hands

before eating, drinking, chewing gum, and when using tobacco or the toilet. Keep the container closed when not in use. Do not reuse the container.

For applications in cooling water systems of 15,000 L or more, do not apply by open pouring of the liquid to cooling water system; a metering pump is required for this use.

**FIRST AID:** Take container, label or product name and Pest Control Registration Number with you when seeking medical attention. Eye exposure: Flush with clean, cool water for at least 15 to 30 minutes or longer until irritation subsides. See Physician if irritation occurs. Skin Exposure: Wash immediately and meticulously with a mild soap and water. See a physician if irritation occurs. Remove and wash contaminated clothing (including shoes) before reuse. Inhalation: Use proper respiratory protection to immediately remove the affected person from exposure. Administer artificial respiration if breathing has stopped. Keep at rest. Get prompt medical attention. Ingestion: **DO NOT INDUCE VOMITING.** Rinse mouth with copious amounts of water or milk, first. Irrigate the esophagus and dilute stomach contents by slowly giving one (1) to two (2) glasses of water or milk. Avoid giving alcohol or alcohol related products. In cases where the individual is semi-comatose, comatose or convulsing, **DO NOT GIVE FLUIDS BY MOUTH.** In all cases, seek immediate medical assistance or contact a Poison Control Centre.

**TOXICOLOGICAL INFORMATION:** Note to physician: This product contains petroleum distillates. Probable mucosal damage following ingestion may contraindicate gastric lavage.

**ENVIRONMENTAL HAZARDS:** This product is toxic to fish and other aquatic organisms. It is not to be used in circumstances that would cause or allow it to enter lakes, streams, ponds, estuaries, oceans, or other waters in contravention of federal or provincial regulatory requirements. The requirements of applicable laws should be determined before using the product. Do not contaminate water, food, or feed by storage or disposal.

**NOTICE TO USER:** This pest control product is to be used only in accordance with the directions on the label. It is an offence under the *Pest Control Products Act* to use this product in a way that is inconsistent with the directions on the label. The user assumes the risk to persons or property that arises from any such use of this product.
