DIRECTIONS FOR USE

This product may not be used to formulate products for the following uses: 1) food producing livestock - direct applications to meat and dairy animals, treatment of occupied premises or when animal food or feed is present, 2) growing crops - and pre - and postharvest sprays, 3) fumigated commodities and 4) aquatic uses.

To be used only in the manufacture of insecticides which are registered under the Pest Control Products Act. This product is to be used with appropriate solvents and or carriers, and in the case of pressurized products, propellents, to produce an insecticide products.

Warm to room temperature. Mix well in drum before sampling and each use.

PRECAUTIONS: Harmful if swallowed. Contains petroleum distillate. Do not induce vomiting because of aspiration pneumonia hazard. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Obtain medical attention if irritation persists. Avoid contamination of food or feedstuffs. This product is toxic to fish. Do not apply directly to any body of water by cleaning of equipment or disposal of wastes. Do not use or store near heat or open flame.

FIRST AID: In case of contact immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Wash contaminated clothing with warm water and soap before reuse. If swallowed do not induce vomiting because of aspiration hazard. Contains petroleum distillate. Call a physician immediately.

STORAGE: Store in a cool, dry place. Keep container closed.

DISPOSAL & DECONTAMINATION: Triple rinse (or equivalent) or offer for recycling or reconditioning where available. Canadian formulators using this intermediate should dispose of unwanted intermediate and containers in accordance with municipal or provincial regulations. For additional details and information on the clean up of spills, contact the regional office of Environmental Protection, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
