DESCRIPTION:

A reliable, effective means of controlling cockroaches without the unnecessary release of insecticide. Treated carpets contain an insecticide that kills cockroaches on contact. No spraying, no wasting of insecticide, no unnecessary release to the environment. Effective for up to six months.

DIRECTIONS OF USE:

To avoid contact with the active ingredient, always open up Perycut's Cockroach Carpet using the special built in grip handles.

Place under cupboards, refrigerators, stoves, shelves, etc. Remove when cleaning. Dispose of Cockroaches and replace carpet. Do not place carpet on surfaces that are used for food preparation. In open areas, use only when the area is non-accessible (for example, under lock and key). Before opening up area, remove carpet, store in bag and place in secure location. Replace used carpets with fresh ones every 6 months. Carpets should be placed out for at least 4 hours for maximum control of cockroaches.

PRECAUTIONS:

KEEP OUT OF REACH OF CHILDREN

Handle carpets using special built in handles. Do not touch inside surfaces of carpet.

FIRST AID:

In case of contact, immediately rinse skin with plenty of water for at least 15 minutes. If irritation develops, obtain medical attention. If swallowed, obtain medical attention, or contact Poison Control Centre.

DISPOSAL:

Do not reuse carpet and bag. Wrap and dispose of carpet and bag with household garbage.

NOTICE TO BUYER:

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
