DIRECTIONS FOR USE: For slime control in pulp, paper and paperboard mills, use 150 to 700 g per 1,000 kg of dry furnish. This product is not to be used in the production of paper or paperboard that comes into contact with food.

For control of bacteria and fungal slime in industrial recirculating cooling water systems, add 20-60 mg/L once a week based on system's volume. If contamination is excessive, use 80-120 mg/L until the system cleans up. Feed directly into the cooling system's water where it will be uniformly mixed. Do not apply to potable water supply. Do not use PVC or carbon steel feeding equipment.

PRECAUTIONS: This chemical is irritating to the skin and eyes. Avoid contact with skin, eyes, or clothing. Wear goggles or face shield and rubber gloves. Keep container closed when not in use. Do not spill or use near heat or flame. Remove and wash contaminated clothing before reuse.

FIRST AID: In case of contact, immediately wash skin with plenty of soap and water for at least 15 minutes. For eyes, immediately flush with plenty of water for at least 15 minutes and get medical attention. If swallowed, give patient repeated glasses of water and contact a physician immediately.

DISPOSAL:

1. Rinse the emptied container thoroughly and add the rinsings to treatment site.
2. Follow provincial instructions for any required additional cleaning of the container prior to its disposal or reconditioning.
3. Dispose of the container in accordance with provincial requirements.
4. For information on the disposal of unused, unwanted product and the cleanup of spills contact the regional office of the Environment Protection Service, Environment Canada.
5. For small spills. Recover free liquid. Soak up residue with solids absorbent. DO NOT FLUSH INTO SURFACE STREAMS. INFORM ENVIRONMENT CANADA AS IN NO. 4.

NOTICE TO USER: This control product is to be used only in accordance with the directions on the label. It is an offense under the Pest Control Act to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.
