Economical
Easy application
Fits any pocket

READ LABEL BEFORE USING: spray a thin layer on exposed skin (except face) and clothing if necessary. For face, spray palm of hand and spread on face and neck except near eyes and mouth. Effective for several hours. Do not apply to hands of young children. Do not use under clothing. After returning indoors, wash treated skin with soap and water. Protects from mosquitoes, blackflies, midges, gnats, ticks, and chiggers. Do not apply to Dynel, Acetates, Nylon or Rayons.

GUARANTEE:

DEET95%
Related Toluamides 5%

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. DO NOT USE ON INFANTS OR TODDLERS. Avoid contact with plastic such as eyeglass frames, furniture finishes, painted surfaces and fabrics. For external use only. Harmful if swallowed. Avoid contact with eyes and lips.

DO NOT apply near fire, flame or sparks. DO NOT contaminate food or utensils. DO NOT apply to sunburn or irritated skin or over cuts or wounds.

FIRST AID: IF IN EYES, rinse with plenty of water. If irritation develops or persists, seek medical attention. IF SWALLOWED, seek medical attention immediately bringing container with you, or contact poison control centre.

DISPOSAL: Do not re-use empty container. Discard with household garbage.
