FIRST AID

Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

SKIN CONTACT: Wash with plenty of soap and water. Wash contaminated clothing before reuse. Get medical attention if irritation persists or contact a poison control centre.

EYE CONTACT: Flush with plenty of water for at least 15 minutes; get medical attention if irritation persists or contact a poison control centre.

INGESTION: Induce vomiting immediately by giving two glasses of water and sticking finger down throat. Never give anything by mouth to an unconscious

person. Call a physician or contact a poison control centre.

INHALATION: If inhaled, remove victim to fresh air. Assist with breathing if necessary. Get medical attention or call a poison control centre immediately.

For medical emergencies and transportation emergencies such as spills, leaks or fire, call 1-613-348-3616 (24 hours).

TOXICOLOGICAL INFORMATION: Treat Symptomatically.

DIRECTIONS FOR USE:

To be used in the manufacture of a herbicide which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.

STORAGE:

Keep in original container during storage. Store product in a cool, dry, well ventilated place away from seed, feed, fertilizer, or other pesticides. Keep away from fire, sparks, or other sources of heat.

DECONTAMINATION AND DISPOSAL:

- Canadian formulators using this product should follow provincial instruction for any additional cleaning of the container prior to its disposal.
- Make the empty container unsuitable for further use.
- For information on disposal of unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill, and for clean-up of spills.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense under the PEST CONTROL PRODUCTS ACT to use a control product under unsafe conditions.

NOTICE TO BUYER: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

Purchase of this material does not confer any rights under patents of countries outside Canada.
