POISON

FIRST AID

IF IN EYES: Flush with plenty of water. If irritation occurs or

persists, seek medical attention.

IF ON SKIN OR CLOTHING: Remove contaminated clothing; wash skin with plenty of soap and water.

IF INGESTED: Drink one or two glasses of water and induce vomiting by touching back of throat with finger. Repeat until vomit fluid is clear. Call physician or Poison Control Centre immediately. Do not induce vomiting or give anything by mouth to an unconscious person.

IF INHALED: Remove victim to fresh air. Apply artificial respiration if inhaled.

TOXICOLOGICAL INFORMATION: Diazinon is a cholinesterase inhibitor. Atropine is antidotal.

PRECAUTIONS

May be fatal if absorbed through skin. Causes substantial but temporary eye injury. Do not get in eyes, on skin or on clothing. Wear protective clothing, goggles, face shield, or safety glasses, and rubber gloves. Wash thoroughly with soap and water after handling and before eating, drinking or using tobacco. Remove contaminated clothing and wash before reuse. Harmful if swallowed. Avoid inhalation of vapour. Avoid contamination of feed and foodstuffs. This product is extremely toxic to fish, birds and other wildlife. Do not apply directly to lakes, streams or ponds. Do not contaminate water by cleaning of equipment or disposal of wastes.

DIRECTIONS FOR USE FOR FORMULATION OF INSECTICIDES ONLY

For use in manufacturing or formulating only. To be used only in the manufacture of a product which is registered under the Pest Control Products Act. Read technical bulletin or product description sheet for details.

DISPOSAL

Canadian formulators of this manufacturing concentrate should dispose of unwanted concentrate and containers in accordance with municipal or provincial regulations. For additional details and clean up of spills, contact the regional office of Environmental Protection, Environment Canada.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offense

under the Pest Control Products Act to use a control product under unsafe conditions.

LIMITATION OF WARRANTY: Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

This label transcript service is offered by the Pest Management Regulatory Agency to provide efficient searching for label information. This service and this information do not replace the official hard-copy label. The PMRA does not provide any guarantee or assurance that the information obtained through this service is accurate, current or correct, and is therefore not liable for any loss resulting, directly or indirectly, from reliance upon this service.
