MADE IN CANADA

KEMTREET
6660 Campobello Rd.,
Mississauga, Ont.
L5N 2L9,

Plants: Europe/Latin America/Caribbean/Canada/Africa/U.S.A,

The growth of algae and fungal slime-producing microorganisms can seriously reduce the efficiency of the entire cooling system. This situation can be avoided by the proper use of KEMTREET 850.

DIRECTIONS FOR USE

Initial dose: In a clean system, with no algae or microbial slime growth visible, add 3 L of KEMTREET 850 per 10,000 L of cooling water. If algae and microbial slime growth is visible, add 6 L of KEMTREET 850 per 10,000 L of cooling water. Pour KEMTREET 850 directly into sump. After the initial dose, add 1 to 3 Litres of KEMTREET 850 per 10,000 Litres of cooling water once per week or more often if needed to prevent algae or microbial slime growth. If growth becomes visible, a "slug dose" of 3 to 6 Litres per 10,000 Litres of KEMTREET 850 should be added to the cooling water. This "slug dose" should then be followed by the regular maintenance dose.

DANGER: EYE IRRITANT
KEEP OUT OF REACH OF CHILDREN

Severe eye irritant. May cause eye and skin damage. Do not get in eyes or on skin. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid contamination of food. This product is toxic to fish. Do not discharge effluent into lakes, streams or ponds.

CAUTION

This product is not intended for use in potable water systems.

FIRST AID

In case of eye contact, immediately flush eyes with plenty of water for at least 15 minutes then get medical attention promptly. In case of skin contact, flush skin with plenty of water for at least 15 minutes. Remove and wash contaminated clothing before reuse. If swallowed, do not induce vomiting, drink large quantities of fluids and get medical attention immediately. Do not reuse empty drums. Rinse containers thoroughly with water and discard or return to drum reconditioner.

NOTICE TO USER

This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

FOR INDUSTRIAL USE ONLY NOT FOR RESALE
