44g / 50g

DIRECTIONS FOR USE: When threatened by a dog, point the nozzle directly towards dog's face. Depress actuator tab under flip-top for a burst of spray to a maximum range of three metres. Move away to avoid exposure to spray.

PRECAUTIONS: Contents under pressure. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture container or store at temperatures over 50° C. Avoid contact with skin, eyes and inhalation of spray. Wash hands before touching eyes or face and prior to using the washroom. Persons with respiratory problems or wearing contact lenses should not use this product.

DISPOSAL: Do not incinerate. Reduce pressure to zero prior to disposal in regular household garbage.

FIRST AID: In case of external contact, flush thoroughly with water. Do not rub. Symptoms disappear in 45 minutes. If symptoms persist, call a physician or Poison Control Centre immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. **TOXICOLOGICAL INFORMATION:** Treat symptomatically.

For your safety, please read this information thoroughly before attempting to use this product.

DIRECTIONS FOR USE: This product is for use against aggressive dogs only. This unit utilizes a patented safety actuator. Hold the unit upright in either hand and press with your finger to actuate the spray. A cone shaped spray will discharge from the unit to a range of three meters. To stop the spray, release pressure from the top of the unit. It is important to use short bursts of spray for maximum effectiveness! Upon contact, the DOG D'FENSE™ Flip-Top Dog Repellent will affect the dog's eyes, respiratory system and mucous membranes resulting in temporary impairment of vision and coughing. Symptoms will subside in about 35-45 minutes.

PRECAUTIONS: Contents under pressure. Container may explode if heated. Do not place in hot water or near radiators, stoves or other sources of heat. Do not puncture container or store at temperatures over 50° C. Avoid contact with skin, eyes and inhalation of spray. Wash hands before touching eyes or face and prior to using the washroom. Persons with respiratory problems or wearing contact lenses should not use this product. While travelling, do not store in passenger compartment. Contact air carriers concerning transport.

FIRST AID: In case of external contact, flush thoroughly with water. Do not rub. Symptoms disappear in 45 minutes. If symptoms persist, call a physician or Poison Control Centre immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention. **TOXICOLOGICAL INFORMATION:** Treat symptomatically.

DISPOSAL: Do not incinerate. Reduce pressure to zero prior to disposal in regular household garbage.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the *Pest Control Products Act* to use a control product under unsafe conditions.
