READ THE LABEL BEFORE USING

Whitmire Research Laboratories, Inc.
3568 Tree Court Industrial Blvd.
St. Louis, Mo. 63122

Net Weight 0.90 kg.

DIRECTIONS:

MILKING PARLOUR AND MILK ROOM: Close all windows and doors. Fog at the rate of 4 to 11 seconds per 100 cubic meters (4-11 g/100 m³). If rooms cannot be closed tight, dosage may be increased slightly. Stand in the middle of room. Direct fog upward and fog in all directions. Keep room closed for 15 minutes. Remove all animals from barn before using as a space spray. Ventilate treated areas for at least 30 minutes before animal re-entry. Spray only when temperature is below 32°C.

PRECAUTION

Remove animals from treatment area before using as a space spray. Do not spray over milk or milking equipment. Cover or remove all milk and milking implements before spraying.

Avoid contact with skin, eyes, clothing. Wash thoroughly after using.

Contains concentrated insecticides under pressure, do not expose to temperatures above 50'C. Discard empty cylinder in safe place. Do not burn.

FIRST AID: For skin contact, wash skin with soap and water. For eye contact, flush eyes with water for at least 15 minutes. Get medical attention if irritation persists. For inhalation, treatment is symptomatic. Antihistamines are of value.

NOTICE TO USER: This control product is to be used only in accordance with the directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.
