DIRECTIONS

Shake well before using. Wet dog with warm water. Apply shampoo liberally beginning at the head and working backward until entire body is covered. Pay special attention to neck and hindquarters. Do not treat eyes, face or genitals of pet. For difficult infestations, allow lather to remain on animal for three to five minutes. Rinse thoroughly. Repeat as necessary.

For effective flea and tick control, treatment of the pet should be combined with sanitation of any area use by the pet. Vacuum floors, carpets, and furniture (discard vacuum bag after use) and wash the pet's bedding, living quarters, and surrounding areas. If pest problems persist, an insecticidal premise treatment may be required.

PRECAUTIONS

KEEP OUT OF REACH OF CHILDREN. Do not contaminate food or feed. Keep away from animal's eyes and mouth. Wash hands after using. Do not use on animals under eight weeks of age. Do not treat nursing females. Do not use on sick animals. Do not use on animals under drug or pesticide treatment. Before using on pregnant animals consult a veterinarian.

FIRST AID TREATMENT

If in your eyes, flush with clean water. If irritation persists, obtain medical attention. If accidentally swallowed, induce vomiting, obtain medical attention at once.

DISPOSAL

DO NOT RE-USE CONTAINER. Dispose of empty container in regular household garbage.
