C-I-L Mother Earth Slug Dust is designed to take advantage of mineral deposits of diatoms which have been found useful in reducing crawling insect pest population. The patented manufacturing process of this product contains two food-grade additives of which one attracts slugs while the other is a digestive ingredient. When applied directly, slugs are usually killed within 48 hours from cutting action. This fine powder will not stain.

DIRECTIONS: C-I-L Mother Earth Slug Dust will remain effective in controlling slugs and garden pests such as: ants, caterpillars, earwigs, potato beetles, etc. Direct application to insect is preferred. Apply by lightly coating or dusting area where insect pests are found or hide. Product remains effective as long as it is present. For best results, use in areas where dust application cannot be affected by heavy rains or high winds. For longer control outdoors, use as wettable

powder with water around foundations, shrubs, flower beds, gardens, etc.

DOSAGE: Dry - Lightly coat desired area. Suggested rate of 50g per 10 sq. meters (1 oz. per 65 sq. ft.)

Wet - Apply to point of wetness 75g in 1 L water per 10 sq. meters. (22 oz. in 1 qt. water per 65 sq. ft.)

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid breathing dust. Do not use as a space spray. Avoid contact with eyes.

FIRST AID: If in eyes, rinse with cold water. If irritation persists, seek medical attention.

DISPOSAL: Dispose of empty container in household garbage. Do not reuse empty container.
