READ THE LABEL BEFORE USING

4 LITRES

Pool Owners Distributing
1333 Kennedy Road
Scarborough, Ontario
M1P 2L8

Prevents and kills green, black and mustard algae - Aids in pool cleaning by settling free floating matter - Reduces chlorine demand - Non foaming - Effective at all pH levels

PRECAUTION:

KEEP OUT OF REACH OF CHILDREN. Avoid contact with skin and eyes. Do not take internally. Avoid contamination of food. Do not pre-mix with other chemicals.

FIRST AID TREATMENT:

If splashed in eyes or on skin, rinse thoroughly with water. If eye irritation persists, seek medical attention. If swallowed, call physician immediately.

DIRECTIONS:

Add Polykill 10plus at least 12 hours after chlorinating.

For spring start-up or initial dose: add 300 mL per 10,000 litres of water; add directly to pool water. To prevent formation of algae: add 100 ml per 10,000 litres of water once a week. For visible algal growth: add initial dose of 500 ml per 10,000 litres of pool water and remove settled algal debris by vacuuming and filtration.
