Notification Change

## NOTICE TO USER

This control product is to be used only in accordance with directions on this label. It is an offence under the Pest Control Products Act to use a control product under unsafe conditions.

## NOTICE TO BUYER

Seller's guarantee shall be limited to the terms set out on the label and subject thereto, the buyer assumes the risk to persons or property arising from the use or handling of this product and accepts the product on that condition.

## FIRST AID

**IN CASE OF POISONING:** call a physician or poison control center immediately. Take container, label or product name and Pest Control Product Registration Number with you when seeking medical attention.

If you get any dust or granule **in your eyes**, flush immediately with a large volume of clean water for 10-15 minutes.

**If on skin**, wash with soap and water. If irritation in eye or on skin persists, get medical attention.

**If swallowed**, do not induce vomiting; call a physician or Poison Control Centre immediately.

## TOXICOLOGICAL INFORMATION

Treat symptomatically for ingestion and/or skin and eye contact. Symptoms are likely to be those of CNS depression. Avoid respiratory depressants unless otherwise indicated.

## PRECAUTIONS

- KEEP OUT OF REACH OF CHILDREN AND UNAUTHORIZED PERSONNEL
- Harmful if swallowed.
- May irritate eyes. Do not wear contact lenses when using chemicals.
- Do not smoke, eat, or drink while using this product.
- Wear protective equipment specified in the production manual when repackaging product.
- Wash gloves thoroughly with water before removing them during any operation.
- Wash hands thoroughly with soap and water after using the product and before eating, drinking or smoking.
- Do not contaminate food, water supplies or animal feed.

## STORAGE

Store in a cool, dry place, away from children, animals, food, feed or fertilizers. Product is not affected by freezing.

## SPILL CLEANUP

Follow safety precautions as directed for handling the product. Sweep spilled product with a broom and shovel into tightly closable container. If on a floor or hard surface, wash the surface or floor with detergent and water, then rinse. If on soil, collect contaminated surface soil with the product. If the product is clean, it may be used; otherwise, follow the DISPOSAL instructions.

## DISPOSAL

**Non-Returnable Container (100 kg Drum):** Triple rinse empty drum with solvent, and offer drum for recycling or metal scrap. DO NOT contaminate water, food or feed by disposal. Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

**Returnable Container (400 kg Supersac):** Empty the container thoroughly into the hopper. Fold the supersac and place in the transport box provided. Return containers to the point of manufacture. Canadian formulators of this technical should dispose of unwanted active and containers in accordance with municipal or provincial regulations. For information on the disposal of unused, unwanted product, contact the manufacturer or the provincial regulatory agency. Contact the manufacturer and the provincial regulatory agency in case of a spill and for clean-up of spills.

***IN CASE OF EMERGENCY INVOLVING A MAJOR SPILL, FIRE OR POISONING  
CALL 1-800-327-8633 (FASTMED)***

## DIRECTIONS FOR USE

To be used only in the manufacture of a product which is registered under the Pest Control Products Act. Read Technical Bulletin for formulation details.
