EASILY APPLIED TO KEEP PETS AWAY FROM FURNITURE, SHRUBS, FLOWERS, GARBAGE CANS, ETC.

DIRECTIONS FOR USE: Shake well before using. Keep from freezing. The most effective control for a pet is the sharply spoken word backed up with disciplinary action. This repellent should be used every 12 to 24 hours in conjunction with training until undesirable habit is broken.

OUTDOOR: First, remove any pet droppings and spray these areas. Spray the edges of flower beds, trunks of trees, on the ground, around shrubbery, lawn areas, garbage cans, etc. Do not apply directly to foliage of shrubs or to ornamental soft-bodied plants.

INDOOR: To break undesirable habits such as sleeping on furniture, spray lightly on furniture, rug, etc. TEST THE EFFECT OF THIS PRODUCT BY FIRST TREATING A SMALL INCONSPICUOUS AREA. THIS PRODUCT MAY STAIN OR SOFTEN SOME FABRICS OR PLASTICS. Alternately, lightly spray a piece of cloth and place on the object or area to be protected.

PRECAUTIONS: KEEP OUT OF REACH OF CHILDREN. Avoid contamination

of food. Do not apply to food crops or use on animals. Avoid contact with skin. Wash thoroughly after spraying.

DISPOSAL: Discard empty container with household garbage. Do not reuse.

FIRST AID: If ingested, do not induce vomiting. Get medical attention. Use gastric lavage. If on skin, wash thoroughly. If in eyes, flush with water for 15 minutes and get medical attention.
